Best Treatment tor All Complexion Ills

(From Woman's Tribute.)
I'll tell you my panacea for all co
plexion troubles. If the skin be colless, sallow, muddy, over-red, if it
rough, chapped, blothny, or pimp here's nothing that will so surely over come the condition as ordinary mer-colized wax. The wax literall; takes off a bad complexion—absorbs the dead and near-dead particles of surface skin, so gently, gradually, you experience n inconvenience at all. A new complexion then in evidence, one so clear, spotless, delicately soft and beautiful, you look many years younger. One ounce of this wax, procurable at any drug store will rejuvenate even the worst complexion. It is smeared on like cold cream before retiring and removed mornings with warm water. The mercolized wax habit is a healthier more economical one than the cosm habit.

If the skin be wrinkled or crease bathe it daily in a solution made by dissolving an ounce of powdered saxolite in a half pint of witch hazel. This acts immediately, affecting even the deepest wrinkles.—Elsie Desmond.—
